<p>#Sanitation is a human right that millions live without! That's why this #WorldWaterDay we demand equitable access to sustainable sanitation for all! Watch how @UN_Water has tackled the #COVID19 sanitation crisis</p>	<p><a href="https://bit.ly/3cCF7Gw">https://bit.ly/3cCF7Gw</a></p>
<p>For us, water and #sanitation means progress, dignity and development. Yet billions still live without. As a #CAPOOP member, we believe that everyone deserves access to safely managed water, sanitation and hygiene #WASH! #WorldWaterDay Read about our work: <a href="https://bit.ly/3tuqlbx">https://bit.ly/3tuqlbx</a></p>	
<p>#COVID19 has shown us the importance of providing access to water, sanitation and hygiene #WASH services. On #WorldWaterDay, read more from @CanisiusKana, executive secretary of @AMCOWAfrica on what Covid means for us all: <a href="https://bit.ly/3txE8ym">https://bit.ly/3txE8ym</a></p>	<p><a href="https://bit.ly/3txE8ym">https://bit.ly/3txE8ym</a></p>
<p>For women, access to adequate water, #sanitation and hygiene means greater safety and dignity, improved education and greater economic prospects. That's why, as a member of #CAPOOP, we are committed to ensure everyone has access to sanitation! #WorldWaterDay</p>	

We all know that access to #water and #sanitation is a key marker of our development, but how has #COVID19 impacted this? Check out this infographic from @UN to learn more: <https://bit.ly/30PoaDc> #WorldWaterDay
